The Enigma of the **1950's**

CLASSIC QUEENS

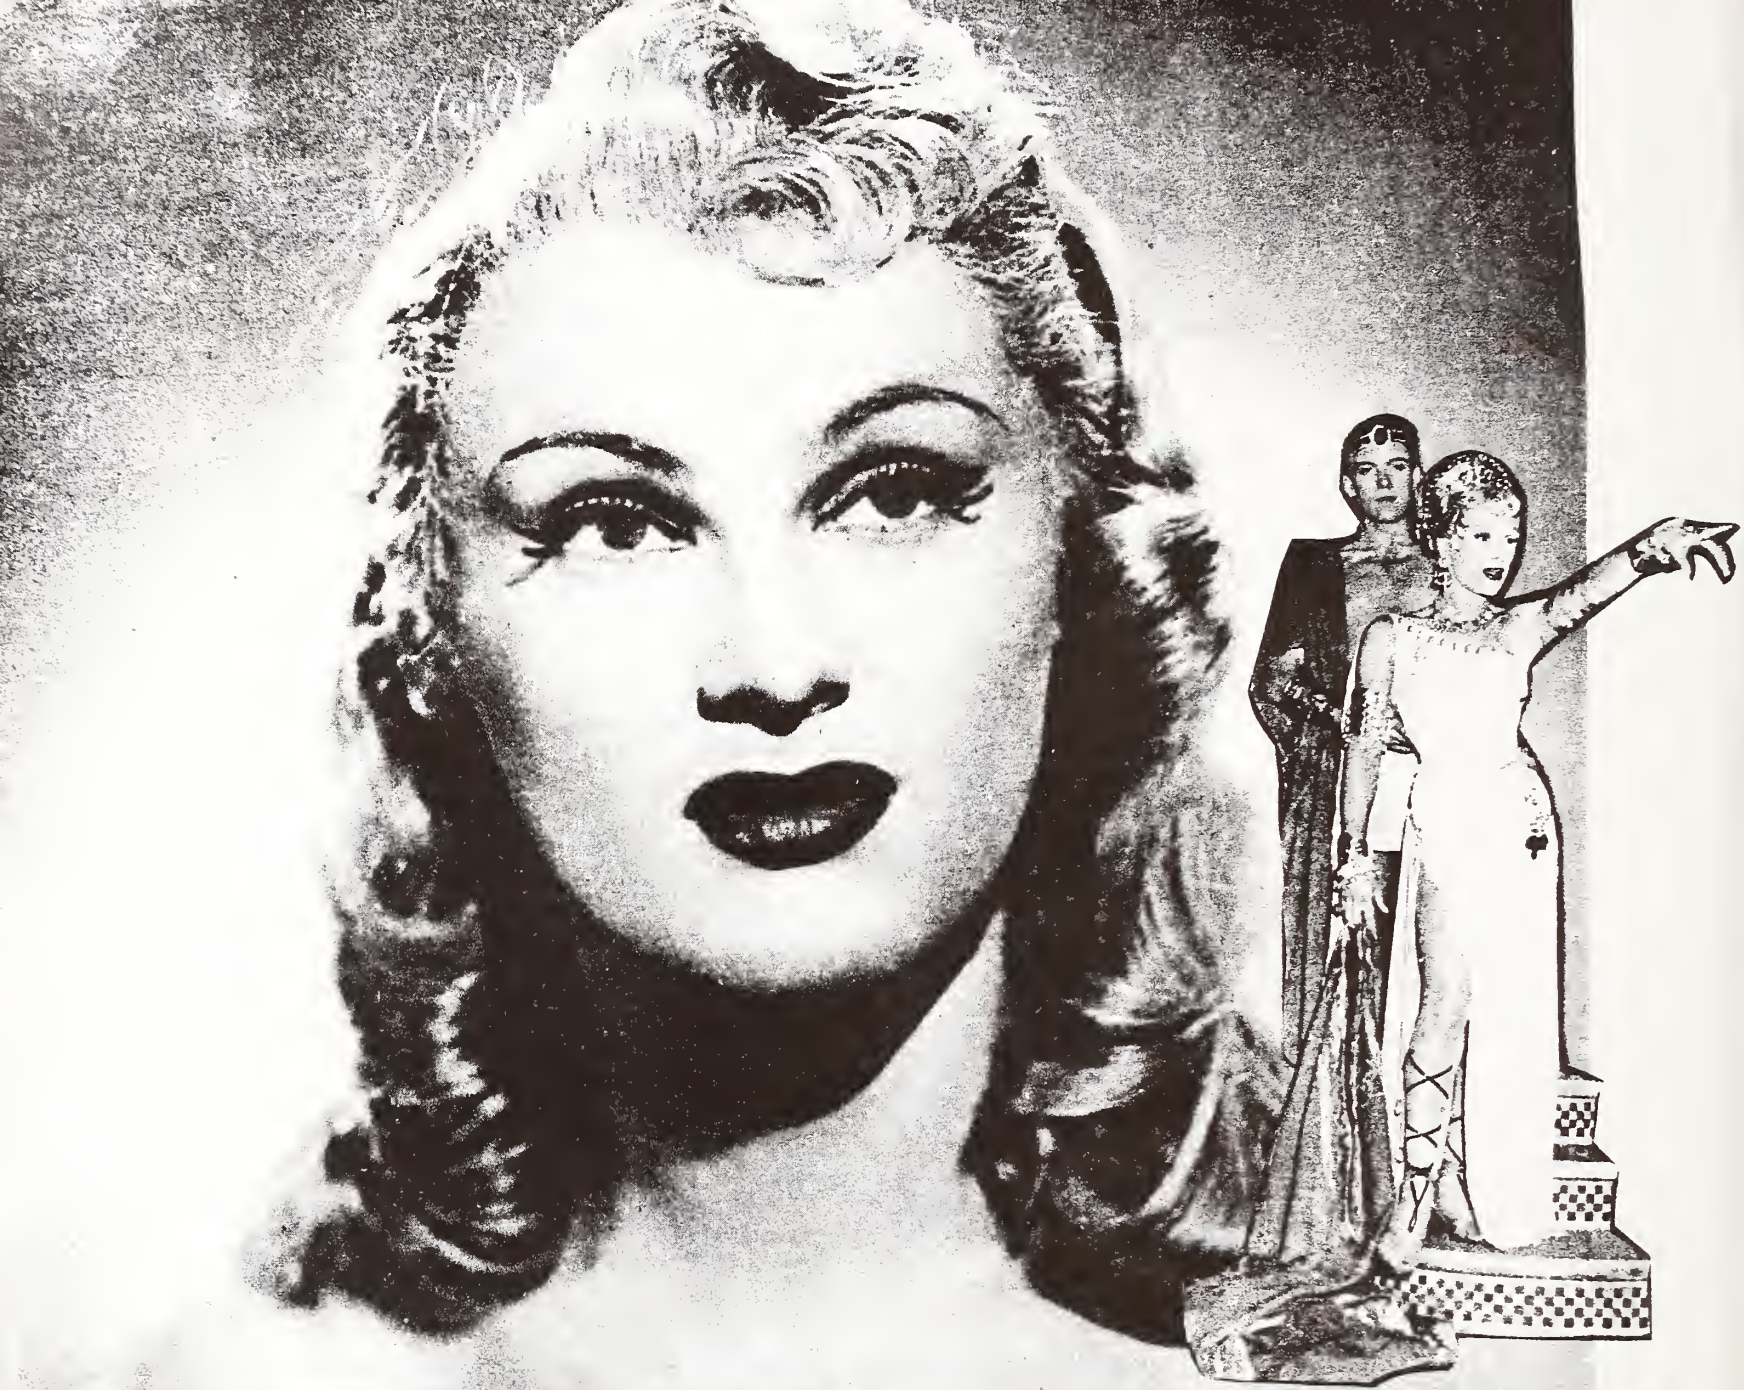

... GUILDA ! Who is "she" ? Why, the most fascinating, tantalising and provocative personality of our time; her supreme elegance, saucy wit and fabulous beauty have created a sensation wherever "she" has appeared ... all over the world. For "she" is a **genuine** artist in the true sense of the word, the delight of all men and the envy of all women, with her tiny waist and her gorgeous gowns. Yet, so entertaining, women as well as their escorts flock to see "her".

But what is so utterly extraordinary is that this exciting "woman" is actually a MAN ! ... Yes, a young man with an amazing talent for impersonation and mimicry.

Jean Guida,—his family name,—began his career as a dancer with the "Ballets Russes de Monte-Carlo"; later he was chosen because of his slight physique to play the role of "BARBETTE", the most famous impersonator of the early 1900's. This was a revelation! ... Then he was discovered by Mistinguett who coached him and helped to make him the unique attraction he is today. The epitome of elegance and distinction, his act is an artistic achievement with his glamorous, magnificent gowns,—many designed by himself and by the most outstanding names in "haute-couture", such as Christian Dior, Jacques Fath and R. J. Fourré. His gay throaty songs, his flair for the dramatic, his love for colour and beauty, whether in his decor or dresses, are a delight to the eye and the ear ... That is why wherever GUILDA appears "SHE" is always the talk of the town !

Guilda is the famous female French impersonator who was brought to Miami Beach by Lou Walters to star in his Latin Quarter Revue, and who is kept from doing his regular performance by a law recently passed by the Miami Beach City Council, and by the Miami City Commission. The law says that no male may impersonate a female in any establishment where liquor is sold. In other words no man can wear any feminine garments where there is a license.

# LETTERS TO F.M.I.

Dear Ms. Christy,

I am writing this letter to inquire if it is any way possible to request PHOTO SPREADS for purchase from the pages of **Female Mimics Intl.** As you probably already know it is very difficult to obtain early back issues of FMI, dating back to the eighties let alone the seventies.

It probably could be a boom to you and your company if you offered special re-prints of photo spreads of models from a requested issue for a fee. Many magazines offer such a service and are raking in the big bucks.

In recent issues of **FEMALE MIMICS** you have been re-printing photo spreads of models from the past such as Amanda Winters, Heather Fontaine, and the twin drag queens from the seventies. (Wow! Keep it up!) However, if there is a particular person you wanted to see, at the current pace it could take years before -if ever - for them to reappear for our enjoyment.

Perhaps a "request" page in **Female Mimics** is the answer, since certainly everyone has a favorite, and would rather see them again sooner rather than much later.

Please consider my request. By the way, I would like to purchase the complete photo spread of "Michelle", the cover girl of **FMI#29**, "Francine" of **FMI #20**, and "Frankie" of **FMI #21**. (Yes, I know some pictures of Francine and Frankie have appeared in recent issues of FMI, but it only leaves you wanting to see much more.)

Also in one issue you printed an article on Brazilian transsexual "Roberta Close" and in another issue an article on Chicago female impersonator "Chili Pepper". Can you please reprint them in an upcoming issue of FMI, and if possible I would like to purchase a reprint of the page itself.

As I have written to you before, I am not gay or a cross-dresser. I stumbled upon your publication in a

regular bookstore where I purchase my sports and computer magazines.

I have never, to my knowledge, met a transgendered person. I am not sure what I would do were it to occur, but it's good to be informed in case it did happen.

Based on the "ladies" I've seen in your magazine and on television talk shows it's getting harder to tell the difference from a real female these days. No one likes to be fooled or deceived, although I understand your ladies don't set out to do it with a malicious heart. You just want to be accepted. And loved. Like any other human being.

It is really a shame the talk shows use transvestites and transsexuals to boost ratings during sweeps, but it's better to be seen and heard rather than remain mythical and subject to deep misconceptions.

And so it goes...

Yours Truly,

**P.E.**

Dear PE,

At this time we do not sell the photo spreads from our magazines. In the past we did offer photo sets on all of the models in our magazines and videos. However as of the end of June 1997 we are discontinuing the photo sets as it is a very time consuming process and we just do not get enough requests for the sets. As you said, we do print photos of our past models at various times so the best thing to do to keep up with it is to purchase a subscription to FMI. Then you will be sure to get all the issues.

Sincerely,

**Kim**

Dear Kim,

Hello, my name is Miss Marci Ann Porter, and I am a life long sissy cross-dresser. Now in my forties and have been dressing in nylon, lace, silk, etc. to one degree or another since I was very young.

First it was mom's panties, nylons, girdle and shoes. These kept me

intrigued and hooked me well into my years of puberty. Then it was cosmetics and hair curlers (which to this day I love

putting my rather longish hair up in curlers to sleep in at night.) I've practiced my make-up, mannerisms, walking, even sitting to the point where I can effect quite the female persona out in public.

I now possess quite an array of wigs and more cosmetics, panties, shoes and bras than probably most real girls have and enjoy every chance I get to wear them. In fact, there isn't a day that goes by where my toe nails aren't painted a brilliant red and always, always I wear sexy panties under my ugh-male trousers.

I have even submitted to having my nipples pierced and wear gold hoops through them all the time. This done while my nipples were being enlarged using nipple suction pumps while serving as a domestic to a dominant Mistress in the late 80's, but that's a whole story in itself.

Kim, I adore your publications and think you have some of the most informative and pertinent publications and certainly some of the most tasteful ever published. In addition I have yet to see any TV/TS videos that could ever come close to the videos that you've produced.

Kim, darling, may you continue your wonderful offerings to us sissy's well into the next century. I offer you all my support and am looking forward to all your wonderful future publications and videos as you have some, if not all, of the most beautiful and believable TS's that are around today in your terrific videos. Please keep them coming and publish my photo and letter if you see fit in any of your publications.

Hugs and kisses from  
your sissy friend,  
**Marci Ann**

Dear Marci Ann,

Thanks for the good thoughts and favorable reviews. Keep your letters and stories coming, we all enjoy them.

Keep smiling,

**Kim**

Dear Kim,

I hope that when I get a few of my financial problems taken care of, I will be able to acquire all the books and videos you have on female impersonation. However, I cannot resist sending you a photo of myself in female attire, hoping that perhaps you can use it in one of your wonderful magazines.

As you can see, I am not much of a photographer's model but I always enjoy wearing feminine attire. I would like to do some posing for your company, if you would want me to. This way, I will obtain more experience. I know this is a little unusual, but I would like to do this if you could arrange for a photographer to take the pictures. This might be impossible, but I thought I would ask anyway.

I am trying to get a larger ward-

Of course you might know my friend **TISH** was at the middle of the most talked about scandal, man as maid and lover, to hit the torrid tabloids of the era.

You see, there was this very wealthy Palm Beach heiress who kept as her personal maid and housekeeper none other than her male lover. And right under the nose of her unsuspecting husband! Well my dear you can imagine the shock, surprise and total humiliation when the panty clad maid dropped dead in the dentist chair leaving the socialite to answer some very difficult questions about how she ran her house. **TISH**, of course was asked to photo illustrate this fabulous story for the infamous "Confidential" magazine. Palm Beach society looked with tolerant eye upon its playboy's antics until they learned that "girl" on left, in powder room, was really a man. Star impersonator "Tish" left, illustrates prank for WHISPER.

their wrath knew no bounds when they learned that on the evening of the hoax, Rumbold had used the ladies' dressing room in preference to the men's!

For months thereafter many of the staid matrons who had stopped to powder their noses that night, couldn't look Rumbold in the eye. They snubbed him by remote control. These snubs, however, didn't bother the irrepressible Rumbold. He was an indefatigable lover, and when he fell for a female, he'd do anything to win her.

#### An Incredible and Intimate Masquerade!

One of his amours was a beautiful Palm Beach interior decorator who decided to open a branch shop in Sarasota. Rumbold, anxious to be with his love, followed her there—and for weeks posed as the lady's French maid!

As the interior decorator's maid, Rumbold was attending her at a gay beach party, which somehow got out of hand. The Sarasota were hosting the party for their

was merely giving a clever impersonation of a man!

For years, Rumbold got away with his dual role as a lover in female dress. But his most brilliant triumph—one that upset the Lorgnette Set of two continents—took place when he fell in love with a married woman, a Palm Beach lady of excellent social standing.

When the lady declared that she was going to Europe with her husband, Rumbold persuaded her to take him along—as a personal maid! And for months, according to Palm Beach historians, he wooed his love right under hubby's nose—all over Europe. Not once did the husband suspect his wife's cute maid was a wolf in frilly clothing!

Just about the time, Palm Beach was accepting his romances, Rumbold suddenly put away his feminine clothing and married the famous playwright Zoe Akins. From then on he sternly forbade all mention of his escapades. He died miles away from Palm Beach—in a dentist's chair in Hollywood, victim of a heart attack.

## Harvey Wilson Goodwin (a.k.a. Harvey Lee)

**O**n July 1, 1992, Harvey Lee passed away in Little Rock, Arkansas at the age of 79. Mr. Lee died from complications resulting from a fall in his home. For many years, Lee was a featured performer at Finnochio's on Broadway. During the '60s he shared the stage with other female impersonators like Lucien, Lestra LaMott, and LaVerne Cummings.

In addition to his show business career, Lee was, for 20 years, secretary to the president of the Chevron Corporation in San Francisco. After retirement, he moved back to Little Rock to be near his friends and family.

A charming and bubbling personality, Lee was a close friend of Charles Pierce. One of Lee's favorite songs, and one that he performed in his stage act, was "I Wish You Love." It is his wish that he be remembered by the lyrics and sentiments expressed in this song.

# EVERYTHING YOU WANTED TO KNOW ABOUT HORMONES\*

## **QUESTION: IS ESTROGEN THERAPY PAINFUL?**

**ANSWER:** The simplest form of estrogen therapy; taking pills orally, is not painful. If a dosage that is too high is regularly taken, the breasts will become abnormally sensitive. But, this sensitivity diminishes with reduced dosage. Estrogen, Administered by injection, is painful and expensive. One should only submit to this form of therapy under a doctor's orders; and one should, further, require the doctor to explain, in detail, why such treatment is necessary.

## **Q. IS ESTROGEN EXPENSIVE?**

**A.** Natural estrogen, the best form to use, is quite inexpensive. A dosage of 2.5 mg. (the popular purple pill), is about cents per day, provided one buys the pills at a discount drug store.

## **Q. IS A PRESCRIPTION NECESSARY?**

**A.** Legally, estrogen can only be dispensed by prescription. The cost of an examination by a qualified physician is approximately \$25; after which the physician will prescribe, if the individual case will permit. Black market estrogen may be more expensive and may have the added disadvantage of being adulterated with other substances, or completely mislabeled. It is prudent to get legal estrogen from a licensed pharmacy.

## **Q. WHAT COMPOUND IS BEST?**

**A.** If your doctor prescribes anything other than the

natural conjugated estrogen, "premarin", ask him why he does so. Natural estrogens have the least undesirable side effects of all the estrogen compounds.

Avoid taking synthetic hormones or birth control pills, unless absolutely convinced by your doctor that they are necessary and beneficial to you.

## **Q. HOW LONG DOES IT TAKE TO GROW BREASTS WITH PREMARIN TAKEN ORALLY?**

**A.** If recommended dosage of 2.5-5 mg is taken, very nice breasts will be formed by the average male in less than a year. Once one decides to undergo estrogen therapy, there is always pressure on one to take higher dosages that prescribed in the hope of fostering faster development.

Avoid this pitfall. Estrogen can be used by the body only in a current basis. Estrogen is not stored by the body; and any estrogen ingested above current needs is immediately expelled by the body. This places an abnormal load on the kidneys and liver. After prolonged high dosage, the liver may be adversely affected.

## **Q. ARE HORMONES A DRUG?**

**A.** No. Hormones are natural substances produced by the endocrine glands in the body. Estrogen is present in small quantities in the normal male body. In undergoing hormone therapy, one merely changes the natural balance.

\*(but were afraid to ask)

**Q. ARE HORMONES ADDICTIVE?**

A. Physically, no. There are no withdrawal symptoms. Psychologically, yes. It is very hard for a person who has started to develop breasts reduce therapy.

**Q. DOES HORMONE THERAPY DISTORT ONE'S PERCEPTION OF REALITY?**

A. Yes, to some degree. As one's shape becomes more feminine; one's attitude also changes. This affect is more marked in some individuals than others.

**Q. ARE THERE ANY UNDESIRABLE SIDE AFFECTS WITH ESTROGEN THERAPY?**

A. With synthetic hormones, there may be. Avoid them if possible.

**Q. IS THERE ANY DANGER OF CANCER?**

A. If the patient sticks to natural estrogen, avoiding synthetics and surgical procedures, the chances for the development of breast cancer are infinitesimal.

**Q. I LIKE GIRLS. WILL ESTROGEN THERAPY REDUCE MY SEX DRIVE AND ABILITY?**

A. After a time, yes. The degree depends on your initial sexuality. If you were very sexy (horny) before, estrogen ingestion may not affect you very much. However, if your original libido was very much diminished, you may find that all sex drive is suppressed.

**Q. IS THERE ANY WAY I CAN IMPROVE MY SEXUAL ABILITY, WITHOUT DECREASING THE SIZE OF MY BREASTS?**

A. Yes. The breasts form more readily than they reduce; so a simple vacation from the therapy will improve your sex drive without ruining your breasts.. although, they may start to sag a little. Resumption of therapy will not immediately incapacitate you.

**Q. IS THERE SOMETHING ELSE I CAN TAKE WHILE TAKING HORMONES, TO MAKE ME FEEL HORNY AGAIN?**

A. Vitamin E, in dosages of 400-mg / day will have this affect.

**Q. IF I DECIDE, AFTER ALL THIS, THAT BEING A WOMAN FULL TIME IS REALLY NOT MY THING: CAN I GET RID OF MY BREASTS WITHOUT SURGERY?**

A. The answer to this depends to a great deal on how long you continue therapy, before deciding to quit. Natural breast formation, caused by the interaction of estrogen on the system, develops by two related, but independent, processes.

1. Enlargement of normally dormant glands in the chest.
2. Production of fatty tissues in the breast area, thighs, stomach and upper arms.

Even with strict dieting, you will find that estrogen therapy will cause you to gain weight.

Withdrawal from therapy, will have the affect of:

1. Reducing the size of the expanded glands.
2. Over a period of time, reducing the superfluous fatty tissue put on in the region of the breast, thigh, etc. Reduction of fatty tissue takes time, as does any weight reduction routine; and the length of time is directly proportional to the amount of extra fat accumulated by the body. If you have not been on estrogen for a great length of time, you will eventually return to normal.

**Q. WILL HORMONES MAKE ME MORE HOMOSEXUAL?**

A. If your orientation is toward increasing your femininity, you may identify with the girls and want more male companionship than before, in the form of male escorts. Many partial sex-changes find this to be true. If you are very feminine looking, with such companionship comes the inevitable invitation or demand for sexual satisfaction. The question really is: If one let's one's date take one to bed, is one becoming homosexual?

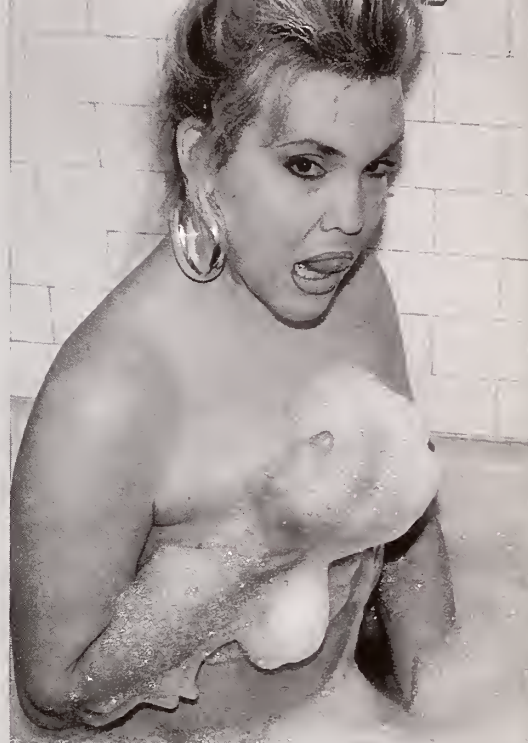

If this question bothers you, I will relieve your mind and say, "NO". If you have never before in your life fallen in love with another man or had a crush on one, shifting your form toward the feminine will not create homosexual longings. (It is well know that many prostitutes are lesbian, and do not enjoy sex with males. They, nevertheless, have sexual relations with males for other reasons.)

robe to pose in, but as I said before, I must do this a little later, after I settle some financial obligations. I love the feel of satin dresses, ruffled petticoats and nylon panties against my body. At the age of 21, I decided that I would adopt feminine attire and discard masculine ways and look for work in a beauty salon as a hairdresser. The position did not last long and so I had to return reluctantly to dressing as a male again in order to earn sufficient money to support myself.

I would like to leave this small town and get away to some large city like New York, where they seem to be more tolerant towards those who do not like to wear "conventional" clothing. Perhaps in a new city I will be able to meet others with similar tastes and get together with them, without the "finger of scorn" being pointed at us.

Because of the limitations in my town, I have not been able to contact anyone who could give me the proper advice on how to talk and act like a female. That is why I like to read your excellent publications on female impersonation, which have given me many helpful tips on makeup and advice on what to do and wear while dressed in female attire.

Thank you for now and you can count on hearing more from me. Should you flatter me by using my photo, let me know in what issue it will be.

Sincerely,  
Beverly,

## A Poem from a Reader... **THE CONSUMMATE WOMAN**

The consummate woman...  
All perfume and lace...  
Melange of intelligence,  
beauty, and grace...  
Examine her closely.  
Observer beware!  
There's something amiss  
in that feminine flair!

Decipher the toss of  
her Partonesque mane  
(A ploy to short-circuit  
the masculine brain.)  
Two pencil-thin eyebrows  
with lids pastel blue.  
The jet-black eye liner.  
Her cheeks' rosy hue.  
That flawless complexion.  
The shocking-red lips.  
Large gold tear-drop earrings.  
Hem skimming the hips.  
The bright spandex tank top.  
Black stockings with seams.  
The two-gallon purse...  
(It's beyond all one's dreams!)  
Along with the make-up,  
the mini, the hose....  
Go fingertip scarlet  
and ruby-red toes!  
Her footwear? Tres stylish  
(complete with spike heel)...  
Most people concede that  
this picture is real.  
The never-quit lashes  
and debutante frame  
Put Betty Boop, Blondie  
and Barbie to shame!

I hear "What a figure!"  
and "Wow! Super bod!"  
Excuse me? Bouquets  
for an obvious fraud???  
Yes, coddled in leather,  
chiffon, silk and furs:  
The consummate woman.  
Deception is hers!

Discount her charisma!  
Let's strip off the bark,  
Thus shedding some light  
where it's currently dark...  
Debrief the shrewd hooker!  
Unveil that sweet bride!  
Unsaddle that cowgirl!  
Reveal what's inside!  
Despite alto giggles and  
baby-smooth thighs,  
This "consulate" woman's  
a man in disguise!!!  
One glance at the mirror,  
and what do I see?  
O consummate woman,  
how can you be me???

## **EVERYTHING TO KNOW ABOUT HORMONES!**

Continued from page 19

If you were casually bi-sexual before estrogen therapy, it is likely that the frequency of your encounters with males will increase. Whether, in fact, you begin to enjoy this more is entirely a question of personal bias. You may find that you do not.

### **Q. WHAT IS MY STATUS WHEN I HAVE FULLY DEVELOPED BREASTS AND A PENIS AS WELL?**

A. You are still legally a male; as your birth certificate testifies. Although you now have a strong point to fall back on, if you find yourself in the courts. At this point in time, the courts are much more educated than they were; and as a result, more receptive to reasonable arguments about latent femininity. In most cases, you can convince the court that your 'deviant' behavior is not anti-social.

### **Q. HOW SHOULD I DRESS WHEN I GO TO THE BEACH?**

A. Although it seems perfectly acceptable to go to the beach in a male bathing costume (trunks), you will find that your breasts will cause much comment from observers, and possibly insults from certain types of males. The best solution, if it is possible, is to put on a swim cap (female), and a bikini which shows a lot of breast; and go in this way.

Your face, unmade-up, without the artifices of cosmetics, may look masculine, and your voice may seem deep; but, no cop will put himself in the position of requiring you to prove you are a female, with all that evidence exposed. (This is assuming you are not making a nuisance of yourself!)

### **Q. WHAT ABOUT MY GIRL FRIEND? WILL SHE THROW ME OVER?**

A. The odds are about 50-50. Most girls will not, if they imagine themselves to be in love with you. A hung-up girl will.

### **Q. WHAT ABOUT MY BOY-FRIEND? WILL HE THROW ME OVER?**

A. Probably, yes. In all likelihood, he only tolerated your drag. Now, with real breasts to aggravate him, he will find you too feminine; and may become hostile or uneasy. In this case, it is best to find a new man, who is more basically heterosexual, and is turned on by breasts. There are loads of them around. (More than can go around, in fact.)

### **Q. WILL MY BREASTS BECOME ACTIVE, SEXUALLY?**

A. After about a year of estrogen therapy, and some vacation from it, you will find your body naturally orienting toward this secondary sexual center. Many people have found that their breasts have indeed become the primary center of sexual stimulation. Others find that the response is secondary; but that it augments the primary response.

### **Q. WILL ESTROGEN DECREASE MY BODY HAIR?**

A. No, the only way to reduce body hair is by shaving, the use of depilatories or by employment of electrolysis.

### **Q. WILL HORMONES AFFECT MY VOICE?**

A. No. The voice is toned by the dimensions of the voice box and by conscious habit. The only way to feminize your voice is to take voice lessons.

### **Q. IF I HAVE MY OWN BREASTS CAN I TELL MY DATE I AM FEMALE?**

A. Best not to. Most men don't like surprises in bed—especially if they are bent on cunt. It seems quite fashionable, these days, to be a partial sex change, and many guys dig this. This approach is preferable. Best be honest, if at all possible.

### **Q. HOW DO I FIND A DOCTOR, WHO WILL GIVE ME A PRESCRIPTION?**

A. Most non-catholic doctors, under 40 years of age, are not predisposed to be hostile to your desires. Many of course, have no experience in the treatment of transsexuality; but this can be corrected quite easily by asking them to become educated on the subject. In most cases, one needs only to select the nearest young doctor, and go in and tell him what is required. ■
